

HONORING MAYOR PATRICK
FUREY OF THE CITY OF TOR-
RANCE

HON. MAXINE WATERS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 13, 2022

Ms. WATERS. Madam Speaker, I rise today to honor Mayor Patrick Furey for his outstanding service over the past 40 years to the citizens of Torrance, which is partially in the 43rd Congressional District of California. Last night, the City Council of Torrance honored Patrick Furey upon his retirement after 8 years as Mayor.

Mr. Furey moved from Philadelphia to Los Angeles in 1973 after serving as a policeman in his hometown and as an infantry soldier in the United States Army. Always active in his community, while raising his family, Pat volunteered as a Boy Scout leader for more than 10 years and served as a Little League umpire for more than 1,000 games. He was the President of the Northwest Torrance Homeowners Association and often served as a spokesperson for the coalition of Torrance homeowners associations concerning issues impacting the entire city. Prior to his election to the City Council in 2008, Patrick Furey served Torrance as a civil service commissioner and a member of the Mayor's Blue Ribbon Committee on Ethics and Integrity.

When California was reapportioned after the 2010 Census and much of Torrance was added to my District, then Councilman Furey and his wife Terry were the first Torrance residents to invite me to their home. We developed a strong friendship and have partnered on many projects together. Trained as a lawyer, Pat retired after a full career as a Principal Deputy County Counsel assigned to the Children's Services Division before being seated as Mayor in 2014. He had also served as a Training and Advice Counsel to the Department of Children & Family Services in Torrance for more than 3 years.

Pat Furey has always been concerned about young people. In addition to raising their own two children and nine grandchildren, Pat and Terry were founding members of the Torrance Education Foundation, and he served as its President for 4 terms. He was a member of every PTA in Torrance and a major supporter of public schools. He chaired the Torrance Unified School District's Personnel Commission and chaired the Community Planning and Design Committee.

Mayor Furey was also a huge advocate for Torrance businesses, from grocery stores to high tech industries. Always responding to community requests, he was a major booster of the Torrance Armed Forces Day activities and spent much time assisting the city's non-profit organizations. He was a hard-working, dedicated and popular mayor, constantly focused on every aspect of his city's operations. The region's residents know they were fortunate to have Mr. and Mrs. Furey serving in City Hall. Now that Mayor Furey has been termed out of office, he will be continuing his public service by returning to the Torrance Education Foundation.

I am proud to congratulate Pat Furey upon his retirement as Mayor and look forward to working with him on whatever his next endeavors may be.

PAMELA GOODWIN—HOMETOWN
HERO

HON. BETH VAN DUYNE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 13, 2022

Ms. VAN DUYNE. Madam Speaker, I rise today to honor Pamela Goodwin of Texas Congressional District 24 who has gone above and beyond to ensure women in North Texas and across the country have a better chance at breast cancer survival.

In 2019, Pamela was diagnosed with breast cancer. Displaying her courage and positive mindset, Pamela took this diagnosis and turned it into something truly positive.

After catching her cancer early through a 3D mammogram test, Pamela has made it her mission to ensure all women receive an annual, 3D mammogram so they too can catch this disease early and live to see another day.

In an effort to better raise awareness and money, Pamela hosted the first annual "Kiss Breast Cancer Goodbye" event last year at the Country Music Hall of Fame in Nashville, Tennessee, headlined by the one and only Dolly Parton.

The inaugural event proved to be incredibly successful—raising much needed awareness and \$167,000 to benefit the Susan G. Komen Foundation. I thank Pamela for her inspiring fight to beat cancer and her incredible efforts to help women across the country.

RECOGNIZING THE 100TH ANNIVERSARY OF THE LACKAWANNA PUBLIC LIBRARY

HON. BRIAN HIGGINS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 13, 2022

Mr. HIGGINS of New York. Madam Speaker, I rise today to recognize the 100th anniversary of the Lackawanna Public Library in Western New York. Located minutes away from Our Lady of Victory Basilica, Lackawanna City Hall, as well as the Buffalo and Erie County Botanical Gardens, in many ways, the library serves as the heart of the City of Lackawanna. Attracting Western New York residents of all ages, the library hosts a variety of community activities including movie nights, book clubs, and computer classes.

The Lackawanna Library is rich in local and national history. Built in 1922, the building was one of the last libraries commissioned and funded by philanthropist Andrew Carnegie. The library stands on what was originally a potter's field, otherwise known as a burial place of unknown people, which the City of Lackawanna acknowledged in 1992 with a monument.

The first floor of the library houses a local history museum containing collections of photographs, maps, and artifacts from the Bethlehem Steel Company which was at one point the second largest producer of iron throughout the United States. The historical significance of the library itself can be seen in the building's architecture and beautiful oak woodwork.

In the library itself, dedicated employees and volunteers work tirelessly to ensure that those within the local community can gather and find enjoyment in the versatility of the library. For the past 100 years, staff and friends of the Lackawanna Library have sustained a focus on the enhancement of literacy, community, and historic preservation that benefits the entire community in Western New York.

Madam Speaker, I am proud to recognize the Lackawanna Public Library here today and I'm pleased I was able to join in the centennial celebration on Sunday, July 10, 2022. The Centennial Celebration Committee planned a celebration for the entire community which included notable local writers, including author of the American Girl Series Connie Porter and Washington Post Columnist Margaret Sullivan, as well as the incomparable library staff to celebrate the distinguished legacy of the Lackawanna Public library.

HONORING THE LIFE OF 2ND LT.
EUGENE P. SHAUVIN

HON. CATHY McMORRIS RODGERS

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 13, 2022

Mrs. RODGERS of Washington. Madam Speaker, I rise today to honor the life of U.S. Army Air Forces 2nd Lt. Eugene P. Shauvin, who was killed in action on September 17, 1944.

Lt. Shauvin was a resident of Spokane, Washington. He was a brave young man, who selflessly sacrificed his life during World War II to defend freedom and defeat evil. Lt. Shauvin was only 25 years old when his aircraft was shot down en route to the Netherlands. Of the multiple service members aboard the plane, Lt. Shauvin was the only body unable to be identified and accounted for—until now.

At long last, after 78 years of searching, Lt. Shauvin's remains have been recovered, identified, and returned home to his family. On July 23, 2022, he will finally be laid to rest. The repatriation of the lieutenant's remains took many years, but thanks to new technology and the tireless efforts of so many who worked hard to find him, Eugene has finally been brought back to American soil where he belongs. While the lieutenant had a long journey home, I pray his loved ones can find peace and closure after this decades-long search.

Madam Speaker, I ask my colleagues to join me today in recognizing 2nd Lt. Eugene P. Shauvin's extraordinary heroism and honoring his ultimate sacrifice, while also celebrating our commitment to ensuring no American is ever left behind.

HON. RUBEN GALLEG0

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 13, 2022

Mr. GALLEG0. Madam Speaker, I rise today to honor the life and legacy of Yolanda Collazos Kizer. Yolanda was a small businesswoman, community leader, mother, friend, and mentor to many.

Yolanda had a passion and skill for business and together with her husband, Aaron Kizer, founded Casa Unlimited—an airport retail enterprise with stores at Phoenix Sky Harbor and airports across the country. Not just concerned with her own success, Yolanda served as Chairwoman of the Arizona Hispanic Chamber of Commerce where she mentored other small business owners, students, and Chamber staff. She also spearheaded programs to bring economic development to the West, support rural businesses, and support small businesses development training. As Alumni of Arizona State University, Yolanda and Aaron were founders and supporters of the Los Diablos Alumni Association which provides tuition assistance, mentorship, and professional development to ASU students.

Yolanda believed strongly in the power of women, small business, and the Hispanic

community. Her presence in Phoenix will be greatly missed. I offer my deepest condolences to Aaron, their children, Joya and Nicolas, and everyone who knew and loved Yolanda.

INTRODUCTION OF THE RENT
RELIEF ACT

HON. DANNY K. DAVIS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 13, 2022

Mr. DANNY K. DAVIS of Illinois. Madam Speaker, today I introduce the Rent Relief Act to create an innovative tax credit to help millions of struggling renters. Thomas Jefferson once said: "The care of human life and happiness, and not their destruction, is the first and only object of good government." Unfortunately, 213 years later, I still witness thousands of people in Chicago struggling to pay rent. I see people pushed into the streets because they simply could not afford their housing. During the pandemic we saw clearly that

the tax code can help provide direct financial assistance to struggling Americans to alleviate poverty and improve quality of life. The Rent Relief Act is an example of good government policy that cares for human life.

It is unacceptable that 36 percent of children in Chicago, and 30 percent of children nationwide, wonder if today may be the last day they have a roof over their heads. It is unthinkable that nearly 45 percent of Hispanic and Black children experienced housing insecurity in the midst of a pandemic. Safe housing is at the foundation of social, emotional, and economic well-being, and Congress must do more to meet the profound need of millions of Americans for stable housing.

This is why I am proud to join with Representatives JIMMY GOMEZ, SCOTT PETERS, and JIMMY PANETTA to champion the Rent Relief Act. The bill would create a fully-refundable tax credit that would cover a share of the difference between 30 percent of one's adjusted gross income and the actual cost of rent and utilities, capping the benefit at 100 percent of Small Area Fair Market Rent. Importantly, the bill targets the families in greatest need by limiting the credit to those earning less than \$100,000. If you earn less than \$25,000, the credit would cover the entire income-to-rent gap, with the credit phasing out as one's income increases.

Direct grant assistance, affordable housing, eviction moratoriums, and the Low-Income Housing Tax Credit are essential federal tools to increasing housing stability. Unfortunately, only 1 in 4 eligible households receives any help, and some households spend years on waitlists due to inadequate funding. A renter's credit could help every eligible taxpayer afford housing and improve their quality of life, working in concert with other federal programs to help end America's housing crisis.

By enacting the Rent Relief Act, families will not fall into the spiral of missed payment after missed payment because it wasn't their turn on a waiting list. They will be able to get rental help when they need it to pay the bills when they need to.

As a government, it is our duty to care for human life and that begins with making sure that Americans enjoy housing stability so they can live without the fear of eviction or making the horrible choice between a roof over their heads or medicine and food for their children.

RECOGNIZING THE LIBERTY HIGH

HON. BRIAN BABIN
